

Messaging Toolkit from NYC Emergency Management

About the program: Notify NYC, the City of New York's official, free emergency communications program, will alert New Yorkers if there is an emergency in your area. Register for emergency notifications by getting the free Notify NYC mobile application, visiting NYC.gov/notifynyc, contacting 311 (212-639-9675 for Video Relay Service, or TTY: 212-504-4115) or following @NotifyNYC on Twitter. (Notify NYC messages are available through many formats, including email, text messages, telephone, the Notify NYC website, RSS, Twitter, and American Sign Language videos.)

Notify NYC offers subscribers 13 notification types, including: emergency alerts, significant events, public health notifications, public school closing/delay advisories, planned events, unscheduled parking rules suspensions, major traffic and mass transit disruptions, weather notifications, waterbody advisories, and beach notifications. Subscribers can customize how and when they receive their alerts, including format, preferred language, and location, as well as when they want to receive them.

Messages can be received by email, text message, phone call, the Notify NYC mobile application, RSS feed, and Twitter, and can be targeted to specific ZIP codes.

Notify NYC messages are available in multiple languages, including English, Arabic, Bengali, Chinese, French, Haitian Creole, Italian, Korean, Polish, Russian, Spanish, Urdu, Yiddish, and American Sign Language (ASL) video format.

Subscribers now have the option to receive multilingual Notify NYC messages on Twitter by following @NNYCArabic, @NNYCBengali, @NNYCChinese, @NNYCFrench, @NNYCCreole, @NNYCIonian, @NNYCKorean, @NNYCPolish, @NNYCRussian, @NNYCSpanish, @NNYCUrdu, or @NNNYCYiddish.
